

May 13, 2010

Dear "Pink Up Port Angeles" Sponsors,

Thank you for your support of Soroptimist International Port Angeles in our fund raising efforts for Operation Uplift.

This year we are conducting a contest for our sponsors, enabling Port Angeles to really look PINK.

In addition to the ribbons that will be tied on and around your business, identifying you as a Proud Pink Up Sponsor, we invite you to participate by decorating your business with "Pink". This will show everyone that Port Angeles is proud and committed to help Operation Uplift in their mission of helping people and their families deal with cancer.

The rules are simple; there are none...

Decorate your windows

Make a display on cancer

Decorate your store front

Use PINK balloons whatever you like

As a thank you for your effort in helping us make a visual statement on "Pink UP" we will be offering the winner a prize of a nice sized ad promoting your business as you would like in the Peninsula Daily News.

Let us know if you are going to participate by e-mailing deBord@olyypen.com or calling either Linda deBord 452-3333/ 460-1155 or Susie Breitbach psbreit@olyypen.com 452-9829
