President's Letter

September is here and it's the beginning of another beautiful fall season. This month is when we gear up for some of our annual projects as well as new ones.

Elegant Gourmet is off and running. Jill Snyder is the Elegant Gourmet Chair. Thanks Jill for being the overall coordinator. Barb Cammack and Mary Gotham will co-chair the distribution committee. Patty Gray has enlisted us in getting sponsors for our book. We all have a part in this project that is our oldest successful ongoing fund raiser. We have raised nearly half a million dollars so far - pretty amazing!

Our First Fall Garage Sale is being planned for October 15-16. Jody Potter and Tracy Walker are the co-chairs. Tammy Gallagher and Gwen Callis are coordinating the delivery of donated items. Debbie Hines is donating her mother's house at 207 S. Jones for us to use as our sale location. This is a wonderful opportunity for us to have a successful fund raiser. Big work day on Saturday, Sept. 24. This is going to be good!

Our District 1 Conference meeting will be held October 21-23 in Bellevue at the Bellevue Marriott. This is a fun, informative and collaborative time with Soroptimists from all over the Northwest. There's so much to learn from each other and spending time with other Soroptimists is both energizing and inspirational. Sadly, we lost dear Jackie deBord, Debbie Riley's mother and Linda deBord's mother in law. Her celebration of life will be held Saturday, October 22.

Our own Debbie Hines is taking a break as she is working with her team of doctors at Virginia Mason. We all send her our love and get well wishes as she is bravely fighting cancer.

We currently have two new ladies visiting us on Fridays. Make sure you introduce yourself. Sylvia Oster is starting the process for membership. Please take time to introduce yourself to her. We welcome visitors and new members to the club of Women Who Get Things Done!

Thanks for being a positive influence. I am proud to be a Soroptimist!
Cherie Kidd

Update on Debbie Hinds

Debbie is currently on leave. She had a cancer diagnosis and is undergoing treatment at Virginia Mason with a great team of specialists. She hopes to get into a clinical trial and is really going to fight this. She is amazing and such a trooper. Please keep the cards and letters going her way to let her know she is in our thoughts and prayers every day.

Jackie deBord's Celebration of Life Service is set for Saturday, October 22.

Jackie, the dear mother of Debbie Riley and mother-in-law of Linda deBord and member of SIPA will be missed by all. Her sweet smile was always welcoming and endearing. It will be held at the Port Angeles Yacht Club at 1:00 pm.

Port Angeles Food Bank Needs Help

Gearing up for back at school has everyone abuzz. It also means looking at our warehouse is a little depressing. This summer hit us HARD and we are hurting for food. Thankfully, we are still swimming in fresh produce abundance. But I tell you what, having only 1 case of spaghetti sauce, 3 cases of canned veggies, and 10 cases of soup in the entire place (as of Sept. 6) really puts our work into perspective. This is a PLEA for Public Awareness assistance: **PLEASE** reach out to businesses you know, own, work at, or patron for food drives. This summer we saw a late grow season which meant that our canned reserves were hit hard before the gardens could be harvested. So now, going into the school year and the holidays, is rather meek. Anyone is welcome to come see our facility and operations for a better idea of the situation of food needs in Port Angeles. Contact Jessica Hernandez, Executive Director with specific ideas or questions on how you can help. Jessica is giving a status update presentation at club on Friday, Sept. 23.

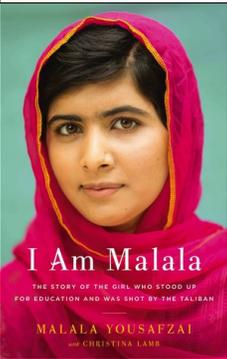

Thank you for your attention to this important service to our community.

Tammy Gallagher, Board of Directors Port Angeles Food Bank

Book Recommendation:

I Am Malala: The Story of the Girl Who Stood Up for Education and Was Shot by the Taliban

by Malala Yousafzai, Christina Lamb

I come from a country that was created at midnight. When I almost died it was just after midday.

When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education.

On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive.

Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she has become a global symbol of peaceful protest and the youngest-ever Nobel Peace Prize laureate.
